Owing to a refreshing breeze, how-ever, there were no prostrations and little suffering.

Druggist Dies from Heat. Kingston, N. Y. July 2.—The excessive heat claimed a victim tonight in Alexander Hasbrouck, a wealthy retired drug merchant of New York city. Mr. Hasbrouck has been at a hotel here since Memorial day. The direct cause of his death is said by physicians to be paralysis of the brain, caused by the heat. He was 65 years old.

Two Cases of Insanity. Pittsburg July 9.—The maximum of-ficial temperature today was 92 de-grees. Five cenths were reported durthe day from the heat, while two insanity due to heat.

94 at Boston. Boston, July 9 .- After two days o moderate summer weather, following the excessive heat of last week, the temperature jumped uncomfortably temperature jumped uncomportably high again today. At 4 o'clock this afternoon the official thermometer at the weather bureau registered 94, only two degrees less than last Sunday's mark. At 10 o'clock tonight the mercury had dropped to 83 degrees. Fortunately the humidity was only slightly above the normal.

Mercury Above 90 in New England. lew York, July 9.—Following closely verspread the eastern section the country today. Although only a maximum of 88 was reached in this city, the thermometer ran well up in the 90's in upstate sections, in New England and in the Atlantic states to the south. Albany and Boston both reported temperatures of 94, and Portland, Me. of 92.
